Elizabeth Lee at lizl@imert.org or Mary Connelly at maryc@imert.org. You can also call the office at 630-701-5344 with questions

All Deployment Operations Courses will provide an update on IMERT operations and an optional STOP the Bleed Instructor session. This session will include an optional moulage breakout session. The moulage break-out session will include demonstration and hands-on learning opportunities. Moulage techniques including superficial wounds using makeup and stage blood and wound prosthesis application will be discussed. Instructors will review materials use and creating your own kit
